## We Need Your Support

You are the key to making the golf tournament a fun event for all who are participating. Please show your support for KsAWWA and KWEA and its members by becoming a sponsor. In return, your company will be recognized in the tournament programs and have your name prominently displayed on professionally-made signs throughout the golf course and at the awards buffet dinner for golfers.

There are three levels of sponsorship as well as a “Distinguished Sponsor” category for those above and beyond the established three levels.

**Gold Sponsor: \$200.00**

**Silver Sponsor: \$100.00**

**Bronze Sponsor: \$50.00**

After all expenses and prizes, **all money collected will go to the KWEA Scholarship Fund**. We plan to purchase hole-in-one insurance again this year. This will afford players the chance to win cash, a cruise, and several other nice prizes.

## About Water For People

Around the world, 1.1 billion people do not have access to safe drinking water, and 2.6 billion are without adequate sanitation facilities. Every day, nearly 6,000 people who share our planet die from water-related illnesses, and the vast majority are children.

Water For People helps people in developing countries improve their quality of life by supporting the development of locally sustainable drinking water resources, sanitation facilities, and health and hygiene education programs.

Our vision is a world where all people have access to safe drinking water and sanitation, a world where no one suffers or dies from a water or sanitation-related disease.

### **We believe in people.**

We believe in the dignity of all people and that access to safe drinking water and effective sanitation are basic human rights.

### **We keep it local.**

We believe that drinking water, sanitation, and hygiene problems are most effectively solved using local resources.

### **We keep good company.**

We believe in the power of partnerships. We search out trusted partners who share our vision and work together to build long-term relationships based on trust.

### **We keep our promises.**

We believe we owe it to the communities we serve, our volunteers, staff, and donors to keep our promises and manage our resources effectively and efficiently.

## SHARE THE GIFT OF WATER...THE GIFT OF LIFE

With your generous support, thousands of less fortunate people will gain access to safe drinking water, improved sanitation, and hope for a better future. Your tax-deductible gift will be carefully used to support the development of safe drinking water resources, sanitation facilities, and hygiene education programs
