

Water For People Fundraising Auction

The KsAWWA-Water For People Committee is requesting financial donations to lift up our fundraising Water For People efforts. 100% of the funds from your company's support will go directly to provide Water For People and the much-needed support needed to complete the mission.

Checks can be sent to:
KsAWWA-Water For People
P.O. Box 3046
Salina, KS 67402

Donation receipts will be provided for tax purposes. Additionally, donations greater than \$500 will receive a special Water For People Certificate suitable for framing.

About Water For People

Around the world, 1.1 billion people do not have access to safe drinking water, and 2.6 billion are without adequate sanitation facilities. Every day, nearly 6,000 people who share our planet die from water-related illnesses, and the vast majority are children.

Water For People helps people in developing countries improve their quality of life by supporting the development of locally sustainable drinking water resources, sanitation facilities, and health and hygiene education programs.

Our vision is a world where all people have access to safe drinking water and sanitation, a world where no one suffers or dies from a water or sanitation-related disease.

We believe in people.

We believe in the dignity of all people and that access to safe drinking water and effective sanitation are basic human rights.

We keep it local.

We believe that drinking water, sanitation, and hygiene problems are most effectively solved using local resources.

We keep good company.

We believe in the power of partnerships. We search out trusted partners who share our vision and work together to build long-term relationships based on trust.

We keep our promises.

We believe we owe it to the communities we serve, our volunteers, staff, and donors to keep our promises and manage our resources effectively and efficiently.

SHARE THE GIFT OF WATER...THE GIFT OF LIFE

With your generous support, thousands of less fortunate people will gain access to safe drinking water, improved sanitation, and hope for a better future. Your tax-deductible gift will be carefully used to support the development of safe drinking water resources, sanitation facilities, and hygiene education programs
